SHIP OUT PACKAGE PLANS

Prices Effective November 1, 2010

Transporting Your Deceased From San Diego County To An Out Of Area Mortuary

If you or your loved one passes away in San Diego County and wish to be sent outside of Southern California for burial, we can help! You can still have a **Traditional service** that includes a visitation and funeral service followed by transportation out of the area. Although modifiable to meet your needs, the following is a list of services included in this package price. Please note that your casket selection and any merchandise you choose will be added to your total.

Ship Out Full Service - \$3,715

- Services of Funeral Director, staff and overhead
- Transfer of deceased to mortuary (25 mile radius)
- Embalming
- Dressing, Casketing, Cosmetology
- Staff and equipment for visitation and funeral service
- Transportation to San Diego Airport

Families who do not want a funeral service held locally can still choose a visitation for local family and friends before the deceased is transported. Although modifiable to meet your needs, the following is a list of services included in this package price. Please note that your casket selection and any merchandise you choose will be added to your total.

Ship Out With Visitation - \$2,784

- Services of Funeral Director, staff and overhead
- Transfer of deceased to mortuary (25 mile radius)
- Embalming
- Dressing, Casketing, Cosmetology
- Staff and equipment for visitation
- Transportation to San Diego Airport

If you choose to have all of your services out of the area, Allen Brothers Mortuary can do the minimum preparation required before transportation. The following is a list of services included in this package price. Please note that your casket selection and any merchandise you choose will be added to your total.

Ship Out Standard Prep - \$2,180

- Services of Funeral Director, staff and overhead
- Transfer of deceased to mortuary (25 mile radius)
- Embalming
