

The **Allen Brothers Family** understands that each family we serve will have unique circumstances. We have designed our package plans to give you a wide range of options in services and prices from which to choose.

Burial or cremation services for infants and children are identical to those provided for adults but receive special consideration. Please feel welcome to discuss these options with your Funeral Director.

The package plans listed below can then be personalized by your additional choices.

ALLEN BROTHERS MORTUARY, INC.
SHIP OUT PACKAGE PLANS
TRANSPORTING YOUR DECEASED FROM SAN DIEGO COUNTY
TO AN OUT OF AREA MORTUARY

If you or your loved one passes away in San Diego County and wish to be sent outside of Southern California for burial, we can help! You can still have a **Traditional service** that includes a visitation and funeral service followed by transportation out of the area. Although modifiable to meet your needs, the following is a list of services included in this package price. Please note that your casket selection and any merchandise you choose will be added to your total.

Ship Out Full Service - \$3,690

- Services of Funeral Director, staff and overhead
- Transfer of deceased to mortuary (25 mile radius)
- Embalming
- Dressing, Casketing, Cosmetology
- Staff and equipment for visitation and funeral service
- Facilities for visitation and funeral service
- Transportation to San Diego Airport

Families who do not want a funeral service held locally can still choose a visitation for local family and friends before the deceased is transported.

Although modifiable to meet your needs, the following is a list of services included in this package price. Please note that your casket selection and any merchandise you choose will be added to your total.
